

Grades 1-4 Supply List Information 2016-2017

In an attempt to cause less frustration on the part of parents trying to find “exactly what the teacher is asking for” and having to search at several different stores for the “right” item, the school will handle the purchasing of school supplies for **1st-4th grades**. **The supply fee covers the cost of the papers, pencils, crayons and other items used for daily class work.**

Fee 1st – 4th grades \$60.00

Classroom Supply Fees **will be billed through Veracross** on your 1st statement.

There are a few of items at each grade level which are not included in the fee, and they are listed below. These will need to be sent by all parents at the start of school.
