Lunch in the Classroom: Lunches may be purchased from the cafeteria or lunches may be sent from home. Lunch provides a wonderful learning opportunity for our young students. Children learn and practice self-help skills, fine motor skills, and appropriate manners during this time. Children will unzip and unfasten lunch boxes, open Ziploc bags, say please and thank you, wipe hands and mouths, and clean up messes. Nutritious lunches brought from home should be ready for children to open and enjoy, empowering them in being self-sufficient. Of course, teachers will be there to assist, as needed. We ask that warm meals are sent in a thermos. **Microwaves will not be available. Carbonated drinks and candy are not permitted in lunch boxes.**

Rest information: All of our preschool children rest each day because research shows that it benefits children academically, socially, and emotionally. Please send a small special blanket and familiar sleeping friend to provide comfort for your sleepy child. The time for rest varies, depending on the age and needs of the children. Two-year-old classes rest for approximately 2 hours. Three and four-year-old classes rest for about 1 ½ hours each day. Children are given time to wind down by listening to comforting music. Children are tucked in and backs are patted by teachers to help children relax.

Extra information: Blankets will be sent home each Friday to be washed and returned the following week. Children that stay past 3:00 will be offered a nutritious snack with additional play time and activities until parents arrive.
